

"I Seek Not Mine Own Will, But the Will of the Father"

#11 / V23 ODL © Nov. 2012 / Lorenzo Snow

Be single to God's Glory, so your Soul is filled with Light--
Then All the Father hath shall be shared, as inheritance Right;
We can of ourselves do nothing, but Elohim's Will in sight,
Perform daily Heaven's Miracles, & Fulfill Eternal-Seal of Might.

Bring Deeds to Creator's subjection, witness Success accomplished His Way
Be Humbled by Holy Power, for Almighty is able to do All He doth say;
Trust The Eternal & be made capable, as Moses was shown at Red-Sea Day,
We are empowered to do as we should, so Celestial Purposes Forever Stay.

Act in the Wisdom of the Lord, to complete Work-of-Peace you're to do--
For All Truth from comes from Jehovah, & He'll Perfect His Works thru you;
Gather for Messiah of Mankind, a Millennium who will Covenant to be True
Jesus Christ will bless Righteous-Labors, with joyous crown of glorious hue.
